

Station circuit — tick what you see

Name	Class	Date
------	-------	------

Tick every box that matches what you see at the bench. Then write one reason.

Bench	Changed colour	Made bubbles or gas	Got hot or cold	Smells different	New solid appeared	Cannot be undone	Get it back?
1 • Ice melting							Y / N
2 • Salt dissolving							Y / N
3 • Steel wool in vinegar							Y / N
4 • Bicarbonate and vinegar							Y / N
5 • Candle burning (teacher)							Y / N
6 • Bread — untoasted, toasted, burnt							Y / N

Now pick just one bench

Which bench was it? _____

Write one reason for the decision you made there:
